What votes would the board be taking on me in the coming months, Mary? Have you been talking, or planning with board members or possible board members on actions that they might intend to take against me in the future? It certainly sounds that way.

That sounds like more of a story to me.....and glad you sent this so it can go in records.

Hi Dr. Freeman and Mrs. Rutkowski,

It has come to my attention that Mrs. Rutkowski is the listing real estate for Dr. Freeman's home which recently went on the market.

I'm wondering if either of you have considered if this business relationship could create a conflict of interest in the event that the board takes any votes in the coming months regarding Dr. Freeman?

I will be including this information in an upcoming article.

You can reach me for comment via this email or my cell phone, 412-527-3366.

Best
